Description: Serin was a Twi'lek female who was a member of the nascent Free Ryloth Movement shortly after the formation of the Galactic Empire. She, Gobi Glie and Hera Syndulla were captured

by Imperial forces led by Vice Admiral Rampart after being tracked on a run to collect weapons the rebel group had purchased, prompting Cham and Eleni Syndulla to mount a rescue mission. However, she and the others were recaptured by the Empire shortly after, although they were eventually rescued by Clone Force 99.
