Description: The Rolling Gales was a starship that served as the mobile headquarters and concert stage of the band Star Waver. It was piloted by the droid K-344 and carried her fellow band members Lan, Jay, V-5, and Geezer.

The Rolling Gales sustained damage when bounty hunter Boba Fett pursued the band in Slave I, after which Fett took Geezer as a bounty for Jabba Desilijic Tiure. All the other band members cooperated to repair their ship.
