Description: F was a human female fugitive Jedi who, after Order 66, traveled to the Outer Rim Territories planet Keelia. Her trip was prompted by a message she had received from an old acquantaince, Valco.

On Keelia, she observed a wedding ceremony. Wearing a mask and cloak to conceal herself, F was drawn back into action when danger struck during the event. When the Meevai Village on Keelia came under threat by a group of pirates and their reprogrammed battle droids, F used the Force, known by the locals as Magina, to stop Lord Izuma and his raiders. Drawing her yellow-bladed lightsaber, she saved Haru, who was being held hostage by Izuma, and defeated the raiders, saving the village.

Powers and Abilities
As a member of the Jedi Order, F was force sensitive. F was shown to be proficient with telekinesis, being able to use Force Stasis to freeze Lord Izuma's blaster bolt before it could hit Saku and force the bolt back into Izuma's blaster. F was also proficient in Force Speed and lighsaber wielding able to move faster than Izuma was able to react and slice off his blaster arm that he was holding behind Haru's back before Izuma could pull the trigger and not harm Haru in the process.
