Description: "The Elder" was a human male Force-sensitive individual. This individual was speculated by Jedi Master Tajin Crosser to be a former member of the Sith who broke away prior to the Order's destruction. Centuries following the fall of the Sith, he encountered Tajin and his Padawan Dan G'vash on a planet in the Outer Rim Territories. After defeating Dan easily, the dark side adept was killed by Tajin. His last act before he died was to detonate his starship, preventing the Jedi from learning more about him.[1]
