Description: R5-D56 was an R-series astromech droid that was the faithful companion of the former Sith known as the Ronin. It accompanied Ronin on his travels through the edge of the Outer Rim Territories in the time following the Sith rebellion against the Jedi Order. The droid was the only who knew Ronin's true identity and history, but it did not tell anyone.

Equipment
R5-D56 was armed with a missile launcher which it used to help Ronin defeat the bandits led by Kouru.
