SPECIAL ABILITIES

Aquatic: Gungans are as at home in water as they are in air, capable of holding their breaths for extended periods while swimming, allowing them to remain submerged between breaths for many minutes. Although this does serve them some advantage in a vacuum, they have no resistance to the other deleterious effects that this environment has on their bodies.

Cartilaginous Body Structure: With very few bones, and most of their body supports made from flexible cartilage, Gungans are resistant to blunt trauma, resisting non-piercing physical damage with a bonus 2D. This offers no protection against projectile weapons, energy weapons or stabbing/slashing weapons such as knives or swords. However it does provide them with impressive resistance to concussion waves such as blast waves from grenades.

Description: Tobler Ceel was a Gungan male who served as the leader of the Gungan Grand Army and was the most experienced officer in its officer corps. He fought during the Battle of Naboo against the Trade Federation on his homeworld of Naboo in the year 32 BBY. He was also a close friend and a former brother-in-arms of Boss Rugor Nass. Ceel had purple and white skin, and yellow eyes.
