Planets D6 / Xais

Name: Xais
Region: Outer Rim Territories
Class: Terrestrial
Atmosphere: Breathable
Primary terrain: Urban
Points of interest: Nihil gas foundry
Affiliation: Nihil

Description: Xais was a terrestrial astronomical object situated in the Outer Rim Territories. Following the Battle of Galov, the Nihil marauder organization operated on Xais, running a warcloud forge there. When Jedi Knights Keeve Trennis and Terec infiltrated the Nihil's ranks by posing as marauders and setting the Nihil up to rescue them from a fake skirmish against the Jedi Order, they were brought to Xais, where they were met by Tempest Runner Zeetar.
