Description: Kalyn Farnmir was a female Human member of the Kuati Security Forces who was framed by corrupt officials of Kuat Drive Yards and forced into the career of bounty hunting. Teaming up with the slicer Cian Shee, Farnmir enjoyed relative success in her new profession. Together, they were able to claim the bounty for Disciples of Psusan leader Scri Oscuro's capture.

The Zealots of Psusan planned revenge, and were able to sway Shee to work with them to kill Farnmir. When Farnmir learned of this, she invited Shee to the Outlander Club on Coruscant, a place known to be popular amongst the Psusan. She gleaned intelligence from Zealot Nyrat Agira, confirming her suspicions about Shee. Confronting Shee, Farnmir tried to apprehend her, but her former partner was too fast. Shee subsequently called off the deal with Oscuro and the Psusan, and Farnmir resumed her life as a bounty hunter. She disagreed with the views of Palpatine's New Order, and worked for the Alliance to Restore the Republic during the Galactic Civil War. Eventually, she came across Shee again on Nar Shaddaa. There, Farnmir killed her former partner in single combat.

Biography

Kuati Security Forces

Raised on Kuat, Kalyn Farnmir joined the Kuati Security Forces: a group charged with keeping the peace in the rich and aristocratic Kuat system. Unfortunately for Farnmir, she was set up by corrupt officials from Kuat Drive Yards as the illegal seller of corporate secrets to Neimoidian agents. The officials were the ones who had been selling the secrets, but they needed a non-entity to take the blame. As a result, she was dishonorably discharged from the Security Forces, and left unemployed. Despite the setback, her desire to bring criminals to justice persisted, and as such, she became a bounty hunter.

Bounty hunter

Donning body armor and obtaining a silver-plated blaster, Farnmir decided that she would need a partner in her new profession, and so enlisted the skills of the slicer Cian Shee. The two enjoyed relative success, hunting down small time criminals and corporate frauds. Eventually, they were hired to bring down High Priest Scri Oscuro, leader of the Disciples of Psusan. Oscuro had been using the church of Psusan as a front for unsavory activities. While they were able to apprehend Oscuro, they incurred the wrath of the Zealots of Psusan.

Betrayal and confrontation at the Outlander Club

In 22 BBY, an informant of Farnmir's told her that the Psusan were plotting revenge for Oscuro's arrest. Farnmir also learned that Shee had sold out, and was in on the Psusan plot. Shee was also to receive a substantial fee from the Psusans for setting Farnmir up. Shocked, Farnmir resolved to learn the truth behind the accusation, and arranged to meet Shee in the Outlander Club, on Coruscant. The club was a known nexus of Psusan activity, but Farnmir claimed to Shee that it was merely a business meeting. Arriving early, she recognized the cult tattoo of a Psusan Zealot on Nyrat Agira, and subsequently questioned her. Agira confirmed that Oscuro was present on

Coruscant and had made dealings with Shee.

When Shee arrived, Farnmir greeted her as though nothing was wrong, so as to uncover the truth and depth of the betrayal. Watching as Jedi Knight Obi-Wan Kenobi apprehended bounty hunter Zam Wesell nearby, she strengthened her resolve, and prepared to confront Shee. As the two bounty hunters made to leave the club, Farnmir attempted to pin Shee with a hold, but the slicer was too agile. She escaped into the night, as far away from Farnmir as possible.

Galactic Civil War
Shee called off the deal with Oscuro, due to the fact that Farnmir was now ready and prepared for any ambush. Eventually, Farnmir started working jobs for the Alliance to Restore the Republic, as she had no love for Palpatine's Galactic Empire. Shee conversely worked for the Imperials. In her work, the slicer was called upon to eliminate her former partner. Farnmir and Shee met on Nar Shaddaa, and fought to the death, with Farnmir emerging the victor.

Personality and traits
Kalyn Farnmir was highly adept at bringing felons to justice. Though she was not able to save herself from the machinations of scheming Kuati businesspeople, she was able to fall on her feet, and use her skills acquired in her former job to best serve her. As a bounty hunter, she was mildly successful, and her marks were usually criminals themselves. She was shocked upon learning that her partner, Cian Shee, had betrayed her, and continued to seek confirmation on the matter after her initial discovery. She did not shy away from killing her former friend, however, in the name of justice. Farnmir could cut an imposing figure when she wanted to, and could intimidate and interrogate to great effect.
