In 22 BBY, Jeng was one of the 212 Jedi who traveled to the planet Geonosis to rescue the Jedi Knight Obi-Wan Kenobi. Biography
Sarissa Jeng was a human female who served as a member of the Jedi Order, guardians of the Galactic Republic, during the Separatist Crisis. In 22 BBY, she was one of 212 Jedi that made up an assault team led by Jedi Master Mace Windu to the planet Geonosis in order to rescue the Jedi Knight Obi-Wan Kenobi, who had been captured while spying on the heads of the newly formed Confederacy of Independent Systems. Kenobi, along with his Padawan, Anakin Skywalker, and Senator Padmé Amidala, had been sentenced to death and faced execution in the Petranaki Arena.

While the trio of prisoners freed themselves and fought off the beasts meant to kill them, Jeng and the other Jedi infiltrated the arena and revealed themselves as Windu confronted Count Dooku, head of the Confederacy. An army of battle droids then entered the arena and attacked the Jedi, supported by the native Geonosians, who had joined the Confederacy. While fighting on the floor of the arena, Jeng gave a battle cry as she used her lightsaber to cut down a Geonosian warrior. The Jedi were eventually overwhelmed by the droids, who surrounded a group of surviving Jedi, although Jeng was not among them. Grand Master Yoda then arrived with the new Grand Army of the Republic and rescued the Jedi, before ultimately claiming victory over the Separatists.

Personality and traits
Jeng had brown hair, brown eyes, and light skin.

Equipment
In the arena, Jeng wore Jedi robes including a dark brown tunic over a light brown shirt. She used a blue lightsaber in combat.
