Description: Seboca was a Dug holovid star. In 22 BBY, shortly before the beginning of the Clone Wars, Seboca was entertaining Senator Bogg Tyrell[1] on an airspeeder when Jedi Knight Obi-Wan Kenobi nearly crashed against them while trying to capture the Clawdite bounty hunter Zam Wesell, leading Seboca to insult the Jedi for nearly hitting them. Seboca was later present at Dex's

Diner conversing with two patrons as Kenobi talked with Dexter Jettster about a Kamino saberdart.[2] He wore a brown pants and a red jacket and that was the latest fashion on Coruscant.[3]
