Special Abilities:
Knowledge Skills:ã€€

Agriculture: Time to use: at least one standard week. The character has a good working knowledge of crops and animal herds, and can suggest appropriate crops for a type of soil, or explain why crop yields have been affected.ã€€

Ecology: Time to use: at least one standard month. The character has a good working knowledge of the interdependent nature of ecospheres, and can determine how proposed changes will affect the sphere. This skill can be used in one minute to determine the probable role of a life-form within its biosphere: predator, prey, symbiote, parasite or some other quick description of its ecological niche.

Story Factors:

Herd Ships: Many Ithorians come from herd ships, which fly from planet to planet trading goods. Any character from one of these worlds is likely to meet someone that they have met before if adventuring in a civilized portion of the galaxy.

Description: Ror Ithh was a brown-skinned Ithorian who lived during the final decades of the Galactic Republic. In 22 BBY, Ithh was on the planet Coruscant, where the Ithorian visited the Outlander Club. Ithh stood near the Gran Nic Whoma in the club, and while they were there the bounty hunter Zam Wesell entered the club, pursued by Jedi Knight Obi-Wan Kenobi and his Padawan Anakin Skywalker. Wesell attempted to attack Kenobi, but was caught by Skywalker, who then assured the club's patrons, including Ithh, that they were on Jedi business. While at the club Ithh wore a red and brown robe.
