- 550 Credits
  - Expensive Clothing, Comlink, Concealed Hold Out Blaster (3D)

Description: Sel Maa was a female Near-Human socialite in the Coruscant nightclub scene during the last decades of the Galactic Republic. A renowned flirt, Sel Maa spent much of her time within the Outlander Club's dark alcoves with Daro Willits. Maa's skin was a pattern of rainbow colored ribbons that stretched up to her face and capped by a large truss of blond curls.
