Biography

The male Neimoidian Yee Moh lived during the final decades of the Galactic Republic. In the year 22 BBY, he lost his job, after which he traveled to the Outlander Club on the planet Coruscant. There he met two other Neimoidians, the sisters Ko Itub and Rina Itub and found companionship with the pair. Whilst the trio were at the club, the Jedi Knight Obi-Wan Kenobi and his Padawan Anakin Skywalker entered the club in an attempt to find the Clawdite Zam Wesell bounty hunter, whom attempted to attack Kenobi but was defeated and dragged from the club.

Equipment

Whilst at the club Moh wore gray robes and headwear as well as a pair of data goggles, which provided a constant stream of holographic data.
