Description: Meeka was a Hutt who was a member of the Grand Hutt Council during the reign of the Galactic Empire. Between 3 ABY and 4 ABY the Hutt Council was invited to the planet by the resurgent criminal syndicate Crimson Dawn, now under the leadership of Lady Qi'ra, to attend a auction for the carbonite encased body of Han Solo. During the journey to Jekara, Meeka expressed concern about the potential return of Crimson Dawn, stating that if it was indeed really Crimson Dawn, it could have a destabilizing effect on the criminal underworld. Fellow council member, Lord Bokku, responded to Meeka's concerns noting that the Hutts were powerful, and that if Crimson Dawn intended to threaten them, they would regret it.
