Description: Aito Laff was a male Neimoidian who served on the bridge of the Invisible Hand.

Biography
Aito Laff served on the Invisible Hand as its First Mate. He survived the Battle over Coruscant alongside a few other Neimoidians who ran for the escape pods. He later joined the Separatist Council on Mustafar, where he oversaw logistics.

The Council's secret ally, Darth Sidious contacted them and told them that his new apprentice, Darth Vader was going to come and reward them. However, when Vader arrived he proceeded to murder all the councillors. Shortly after watching Denaria Kee get killed, Laff was stabbed in the abdomen. After the Neimoidian was dead, Vader continued to slaughter the Council.
