Description: Fang Zar was a male human senator who served in the Galactic Senate during the Clone Wars representing Sern Prime. Prior to the war's end, he was part of the Delegation of 2,000 out of concern over various amendments to the constitution. As a result, he and his allies presented the Petition of 2,000 to Supreme Chancellor Sheev Palpatine. Palpatine later transformed the Republic into the Galactic Empire after Order 66 was enacted. One day after the formation of the Empire, Imperial Intelligence conducted a mass arrest of senators, which included Zar.

Biography
Fang Zar was a male human who served as the senator of Sern Prime in the Galactic Senate of the Galactic Republic during the Clone Wars against the Confederacy of Independent Systems. During the war, Zar was present in the Galactic Senate Chamber when Senator Rush Clovis spoke about his and Senator Padmé Amidala's discovery of corruption in the InterGalactic Banking Clan.

After Clovis was nominated as the head of the Banking Clan and substantially increased the interest rates on loans undertaken by the Republic and not on the loans by the Separatists, Zar was present in the Senate Chamber as the Senate reacted to the news.

After a mission to Oba Diah undertaken by the Jedi Order, Zar was present in the Jedi Temple on Coruscant accompanying fellow Mon Calamari Senator Meena Tills when Jedi Master Mace Windu approached Master Obi-Wan Kenobi and spoke to him about his concern for Grand Master Yoda's health.

By the final stages of the Clone Wars, Zar was part of the Delegation of 2,000, a group of 2,000 senators that were concerned with Supreme Chancellor Palpatine's growing political power. The Delegation presented the Petition of 2,000, a formal protest to Palpatine's growing power. Eventually, Palpatine, secretly the Dark Lord of the Sith Darth Sidious, proclaimed the Jedi traitors to the Republic and transformed the Republic into the Galactic Empire, with himself as its Emperor.

One day after the formation of the Empire, Imperial Intelligence arrested sixty-three senators from the Delegation, including Zar, on charges of conspiracy and treason.

Personality and traits
Zar had a long, graying beard and wore a diamond-patterned lilac robe.
