Chalmun's Spaceport Cantina, and shortly afterward accompanied Jabba to Docking Bay 94 in Tatooine's Mos Eisley spaceport, where the Hutt spoke to smuggler Han Solo over a debt the latter owed Jabba.

Biography
The Human male Boelo lived during the Galactic Civil War, a conflict between the Galactic Empire and the Alliance to Restore the Republic. At some point, he joined the crime lord Jabba the Hutt's criminal empire on the planet Tatooine, becoming the Hutt's right-hand man, and was eventually replaced in that position by Naroon Cuthus. He also owned a pet womp rat named Worra, and possessed a certain level of Force-attunement.

In 0 BBY, Boelo was present at the bar of Chalmun's Spaceport Cantina within Tatooine's Mos Eisley spaceport when a farmboy named Luke Skywalker and a Jedi Master named Obi-Wan Kenobi arrived, looking for a pilot to take them and the droids C-3PO and R2-D2 to the planet Alderaan, ultimately meeting smuggler Han Solo. Boelo later accompanied Jabba on a visit to Docking Bay 94 in the spaceport. He stood near the entry ramp of Solo's YT-1300 light freighter Millennium Falcon when Jabba intended to collect a debt Solo owed the crime lord. After Solo arrived and made a deal with Jabba, the Hutt and his entourage, including Boelo, left the site.

Personality and traits
