Description: DV-523 was a clone stormtrooper who served in the Galactic Empire's 501st Legion during the Galactic Civil War. In 0 BBY, DV-523 served aboard the Sith Lord Darth Vader's flagship, the Star Destroyer Devastator, and took part in the Devastator's attack on the Rebel CR90 corvette Tantive IV.

Biography
DV-523, a Human male, was a clone who served the Galactic Empire as a stormtrooper of the 501st Legion, an elite military unit under the direct command of the Sith Lord Darth Vader. DV-523 had been stationed aboard the Dark Lord's flagship, the Imperial I-class Star Destroyer Devastator, by 0 BBY.

In 0 BBY, after Rebel agents transmitted the stolen plans for the Empire's DS-1 Orbital Battle Station superweapon to the Rebel CR90 corvette Tantive IV—the consular ship of Senator Leia

Organa—the Devastator pursued and overtook the Rebel blockade runner, as the 501st boarded the vessel from a TIE/br boarding shuttle. DV-523 was among the first wave of troopers who entered the corridors of the Tantive IV and engaged the Rebel troopers in battle. The battle ended as a victory for the 501st Legion, with the death of the Tantive IV's Captain, Raymus Antilles, and the capture of Organa. However, the Rebel droids C-3PO and R2-D2 managed to make it off of the Devastator with the stolen Death Star plans aboard an escape pod.

Equipment
DV-523 wore the standard suit of stormtrooper armor. He wielded an E-11 blaster rifle.
