Description: Caf Treblanc was a Human male soldier in the Alliance to Restore the Republic during

the Galactic Civil War, a conflict fought between the Alliance and the Galactic Empire. By 0 ABY, Treblanc had attained the position of chief in the Alliance. Immediately preceding 0 ABY, the Alliance managed to destroy the Imperial DS-1 Orbital Battle Station superweapon near the moon Yavin 4.

Following the victory, the Royal Award Ceremony was held in the Grand Audience Chamber of the Great Temple, the Alliance's base on Yavin 4. Treblanc was present in the ceremony, standing on a raised dais behind Rebel fighters Luke Skywalker, Han Solo, and Chewbacca, who were honored for their actions during the battle. Fair-skinned with a brown moustache, Treblanc wore a white uniform with a helmet.
