Biography

Bullying boss

Groff Ditcher was a brutish human male who worked as foreman of Tibidon Station, a sand whaling station established to harvest meat from the carcass of a large sand whale in the deserts of the planet Tatooine. Following one shift at the site in 9 BBY, Ditcher stood by a GNK-series power droid with a payment dispenser attached to its head as the labourers used their punch discs to collect their credits for the day.

After collecting his payment, labourer Padu Cherd complained that it was only half and pleaded with Ditcher for the rest, but the foreman shoved Cherd away and warned that he would pay him nothing at all if he spoke another word. Obi-Wan Kenobi, the last labourer in the line, then scowled at Ditcher as he approached, but when the foreman asked if Kenobi had anything to say, the labourer silently took his payment and moved on to board the transport back to the town of Anchorhead. Ditcher scoffed and then began speaking to other workers at the site in an alien language.

Encounter with an Inquisitor

Some time later, Ditcher was in the spaceport of Mos Eisley on Tatooine, where he pushed to the front of a line for water being served by the cart vendor Dardin Shull from a portable vaporator. Pushing the old man at the front of the queue out of the way, Ditcher took a filled cup from Shull's hands as the vendor frowned at him.

The foreman questioned if Shull had something to say, but was instead answered by the former Inquisitor Reva, who was stood in the line behind him. Ditcher told her to wait her turn, but using the Force she threw the water from his hand and glared at him as he silently backed away. She then questioned Shull on the whereabouts of the moisture farmer Owen Lars.

Personality and traits

Groff Ditcher was a brutish man and a bully. He pushed and threatened Padu Cherd when the labourer pleaded for his family's sake and tried to intimidate Kenobi, Shull, and Reva, although he backed away after seeing the latter use the Force. Ditcher had light skin, brown hair, and green eyes.

Equipment

Ditcher wore a light brown shirt, a brown belt over a black apron, brown pants, brown gloves, and brown boots.
