Equipment D6 / Blissl

Name: Blissl
Type: Musical instrument
Scale: Character
Availability: 1

Description: The blissl was a musical instrument that had three pipes made out of some form of wood or organic bamboo-type material. It had a column of attached rings on each side of the outside pipes where the rope/string was threaded through to form the necklace. These instruments were maintained with a blissl tuner. Jedi Master Yoda carried a blissl around his neck while on Dagobah.
