Fine Manipulator Arms (can use human tools)
Internal Data Store
Vocoder Capable of Human Speech
Small Internal Storage Area (1kg)
Video display screen
Holographic projector/recorder
Drinks Dispenser

Move: 5

Size: 1 metres

Description: Refreshment droids were short, cylindrical-bodied, wheeled models resembling many astromech droid models. There purpose, however, was more mundane. They served refreshments at public events such as garbage pit races. R2-D2 served a similar function while aboard Jabba the Hutt's luxury sail barge, the Khetanna.
