Description: Brock Starsher served as a guard for the Hutt crime lord Jabba Desilijic Tiure, working on board one of his Bantha-II cargo skiffs at the Hutt's palace on the planet Tatooine. When Jabba sentenced his prisoners Han Solo, Luke Skywalker, and Chewbacca to be fed to the sarlacc in the Great Pit of Carkoon, Starsher manned one of the two skiffs that made the journey to the pit. At the pit, Skywalker managed to free himself and attack the guards, boarding Starsher's skiff and knocking the guard into the maw of the sarlacc below.

## ***Biography***

### *Sailing to the sarlacc*

In 4 ABY, Brock Starsher worked as a guard for the Hutt crime lord Jabba Desilijic Tiure, serving on board one of the Bantha-II cargo skiffs kept at Jabba's Palace on the planet Tatooine. When the Hutt declared that three of his prisoners—the smuggler Han Solo, his co-pilot Chewbacca, and the Jedi Knight Luke Skywalker—were to be fed to the sarlacc that lived in the Great Pit of Carkoon, Starsher flew to the pit on board an escort skiff alongside several other guards including Barada, Lathe, Yotts Oren, and their pilot Pote Snitkin. The prisoners traveled on a second skiff while Jabba and his court rode aboard the sail barge Khetanna.

### *Battle at the great pit*

Upon reaching the pit, the vehicle carrying Starsher began circling around the sarlacc while the skiff carrying the prisoners positioned itself above the creature's maw. When Skywalker was forced over the edge of his skiff to be executed, he flipped back onboard and caught his lightsaber, which had been launched to him by the astromech droid R2-D2 from the sail barge's deck. Skywalker and his allies then quickly defeated the guards aboard the vehicle carrying them, at which point Starsher's skiff approached so that its occupants could attack.

Starsher stood ready at the very front of the skiff, so when Skywalker leaped onboard, the guard was the closest to him. At first, Starsher did not engage the Jedi, but after Skywalker deflected a blaster bolt fired by one of the other guards, Starsher moved forward to attack. Skywalker slashed at Starsher with his lightsaber and caused the guard to tumble forward over the rail of the vehicle into the sarlacc's pit below, killing Starsher and then a second guard before the other guards on the skiff even fully realized the Jedi was on board. Skywalker and his allies then defeated the rest of Jabba's men and killed the Hutt before escaping.

## ***Personality and traits***

Starsher had fair skin.

## ***Equipment***

Starsher wore a white jumpsuit with a black helmet, black gloves, a black utility belt, and brown boots while on the skiff. Starsher carried a BD-1 Cutter vibro-ax and a DL-18 blaster pistol.
