Description: Gailid was a Human tax collector, assistant to Mosep Binneed, the Nimbanel accountant in charge of Jabba Desilijic Tiure's affairs in Mos Eisley.

Biography
During his times in Jabba's Palace, Gailid became close to the skiff guard Barada. He was in the process of learning how to repair the skiff's repulsorlift when Jabba demanded they take Han Solo

and the other Rebels out to the Great Pit of Carkoon to be executed.

During the Battle of the Great Pit of Carkoon, Gailid was aboard the second skiff and was killed in the battle not by the Sarlacc, but by the blade of Luke Skywalker's lightsaber.
