Description: Ten Numb was a male Sullustan starfighter pilot that flew for the Alliance to Restore the Republic during the Galactic Civil War. During the Battle of Endor, he flew a B-wing starfighter under the callsign Blue Five.

Biography
Ten Numb was a male Sullustan bounty hunter hailing from the planet Sullust. Numb sought to use his expertise in demolitions to aid the Alliance to Restore the Republic in their fight against the Galactic Empire.

Ten Numb was one of a few Sullustan pilots that flew at the Battle of Endor, including his friend Nien Nunb who also flew at the Battle of Endor as Lando Calrissian's co-pilot on board the Millennium Falcon. Ten Numb, on the other hand, was assigned to Blue Squadron, piloting a B-wing starfighter under the callsign Blue Five. During the assault, Numb led Blue Squadron in an attack against Imperial command ships, resulting in the destruction of two Imperial Star Destroyers. Numb survived the engagement and was one of a number of pilots to join the festivities at Bright Tree Village on the Forest Moon below.
