Force Points: 1

Dark Side Points: 0
Character Points: 3

Description: Snipp Nkik was a male Jawa from the Outer Rim planet Tatooine. He was a member of the Nkik clan of Jawas, which also included Het Nkik and Jek Nkik. In addition to being a member of this clan, he was associated with Jabba Desilijic Tiure, and was an active member of his his criminal empire. He often was seen with Herat, another Jawa member of the Hutt crime lord's court. Snipp was present in Jabba's Palace in 4 ABY, when Luke Skywalker infiltrated the palace along with other Rebels including Chewbacca, Lando Calrissian, and Leia Organa. It is unknown if Snipp rode on Jabba's sail barge, the Khetanna, to the Great Pit of Carkoon or not. If he was on the barge he would have most likely died when it was destroyed.
