Description: Nho'Apakk was an Ewok warrior from Bright Tree Village on the Forest Moon of Endor. During the Battle of Endor in 4 ABY, he helped Rebel Alliance forces defeat Galactic Empire stormtroopers. Nho'Apakk had off-white fur and wore a greenish hood. The Ewok fought with a three-pronged, wooden staff.

Biography

Nho'Apakk was a male Ewok of Bright Tree Village who served his tribe as a warrior on the Forest Moon of Endor. In 4 ABY, a small group of Rebel Alliance operatives arrived on Endor and convinced Nho'Apakk's village that the Galactic Empire, which had established a presence on the moon to support the construction of a new Death Star battlestation in the system, was a threat the Ewoks could help defeat. Nho'Apakk thus joined with his fellow Ewoks in the Battle of Endor to fight alongside the Rebel forces, and the warrior personally attacked stormtroopers sent by the Empire.

Personality and traits

Nho'Apakk had cream-colored fur, a brown nose, pale fingers and toes, and black eyes. The Ewok preferred to avoid confrontation whenever possible, but he was willing to defend Bright Tree Village fearsomely if need be. The warrior wore a greenish hood. He fought with a wooden staff with three prongs at its tip.
