Description: Oberk was an Imperial scout trooper and a corporal at the time of the Battle of Endor.

Biography

Oberk was originally from the planet Ukio, and was known as a show-off. He was transferred to scout trooper duty when it was discovered he could skilfully pilot a 74-Z speeder bike.

During a tour of duty on Endor, Oberk encountered and held Rebel operative Leia Organa at pistol-point and, after Oberk ordered his comrade to ready his speeder, Ewok Wicket Wystri Warrick, with whom Organa had recently become acquainted, attacked Oberk with his spear. Oberk was momentarily distracted before Organa bludgeoned him with a branch and knocked him unconscious.
