Description: Rennek was a Human male who worked as a nerf herder for the Tatooine-based Hutt crime lord Jabba Desilijic Tiure. In the year 4 ABY, Rennek was present in the audience chamber of Jabba's desert palace when the droids C-3PO and R2-D2, and later Princess Leia Organa, arrived there to free their imprisoned Rebel Alliance cohort Han Solo from Jabba's clutches.

Biography

The Human male Rennek lived during the Galactic Civil War between the Galactic Empire and the Alliance to Restore the Republic. He found work as a nerf herder for Jabba Desilijic Tiure, a Hutt crime lord based on the planet Tatooine. Rennek personally oversaw the herding of Jabba's nerfs.

In the year 4 ABY, Rennek was in the audience chamber of Jabba's desert palace, standing right behind the crime lord's throne, when the droids C-3PO and R2-D2 arrived on behalf of their master, Luke Skywalker, to free their captive ally Han Solo, who was frozen in carbonite and hung on display within the palace. During the incident, Rennek was among those within the courtroom who witnessed the Hutt drop the slave dancer Oola into the pit of his pet rancor, and rushed forward to witness her demise.

Rennek again stood behind Jabba's throne in the audience chamber when Rebel Alliance leader Leia Organa, in the disguise of the bounty hunter Boushh, also arrived with the Wookiee Chewbacca as her alleged prisoner, ostensibly to bargain for the bounty on Chewbacca's capture. Organa threatened to destroy the palace with a thermal detonator if the Hutt did not comply with her demands. After winning Jabba's favor, Organa later freed Solo—the true reason she had arrived at the palace—and attempted to escape with him, but both were caught and subsequently imprisoned.

Personality and traits

Despite his scruffy appearance, Rennek was a lethal combatant with an expertise in unusual combat techniques. He could defeat the toughest of Jabba's Gamorrean guards—attributes not reflected by his trifling assignment as the Hutt's nerf herder. When Oola was eaten by Jabba's rancor, Rennek joined others in the courtroom in laughing at the dancer's fate. He had dark skin, black hair, and brown eyes.

Equipment

As a nerf herder, Rennek wore a white fur-trimmed coat during his time at Jabba's Palace. He also wore a white shirt with interconnected tubing, which ran along the middle of his torso and down between his legs.
