Description: Teebo was an Ewok that was present during the Battle of Endor. One of Chief Chirpa's best hunters alongside Asha Fahn, they supported Chirpa's decision to help a team of Rebels take out the Imperial shield generator, vetoing Logray's choice to stay out of it. That night, he would write a message to be sent out to neighboring Ewok tribes to call them all to action and aid the Rebels to fight against the Empire.

By the time of the conflict between the First Order and the Resistance, Teebo had taken the mantle of shaman.
