Biography
Leslomy Tacema, a Duros female, hailed from Duro, a planet that was also her species' homeworld. By the time of the Galactic Civil War, she was a pilot who helped run the docking facilities in Mos Eisley, a city on the planet Tatooine. Tacema was friends with Ohwun De Maal, another pilot of her species.

In 4 ABY, Tacema was present in the courtroom of crime lord Jabba the Hutt's palace on Tatooine when the Jedi Luke Skywalker arrived to rescue his ally Han Solo, who was held prisoner by Jabba. Skywalker was dropped into the pit of Jabba's rancor but was ultimately able to kill the rancor. Tacema and others in the courtroom then watched Jabba sentence him, Solo, and their companion Chewbacca to be executed at the Great Pit of Carkoon.
