

Characters D6 / Dod Bule (Duro Pirate)

Dod Bule

Dod Bule is suspected the leader of the sector-wide Celmoore pirates but local authorities have yet to even confirm his existence. All they have to go on is the word of captured pirates who aren't exactly known for their truthfulness. All ships captured by the Death's Hound are never seen again as the crews are typically sold to slavers and the ship itself is either taken back to an established pirate outpost or simply destroyed.
