- Imperial Navy uniform, Blaster Pistol (4D), Comlink, Imperial Code Cylinders

Description: Keysax was a human male who served as a lieutenant in the Galactic Empire.

Following the Ferrix incident, an Imperial Military force was deployed under the command of Captain Vanis Tigo. After ISB Supervisor Lieutenant Dedra Meero gained control of the Morlana sector from Supervisor Blevin, Keysax helped chase down Bix Caleen, a person of interest to the Empire. Eventually, Keysax was in a briefing alongside Supervisor Meero, ISB Attendant Corv, and Captain Tigo. Keysax participated in defending Imperial interests during the riot on Rix Road.
