Description: Fassio Ablund was a human male who lived on the moon Jedha during the reign of the Galactic Empire. Seeking protection from a local band of insurgents led by Saw Gerrera, he sold information concerning the group's movements to the Empire. His Imperial associations were ended when he was caught stealing armor from a fallen Imperial tank trooper and declared a criminal, leaving him with no allies on Jedha at all. In 0 BBY, he was present in Jedha City shortly before the city was destroyed by the Empire's Death Star.
