Description: Lyana Hazard was a human who resided in the remote island on Pabu along with her father, Shep Hazard.

Personality and traits
Lyana Hazard was a young female human with brown hair, brown eyes, and brown skin. She wore a white undershirt with a red, sleeveless shirt over it. She also had a necklace.

Lyana was friendly and took an immediate liking to Omega, showing her around the remote island, inviting her on their boat to watch the sunset, and empathetically listening when Omega spoke

about leaving her homeworld. She had a close relationship with Phee Genoa, whom she called Auntie Phee, and took interest in the artifacts that Genoa discovered.
