Manoeuvrability: 1D

Move: 20, 60 kmh

Body Strength: 2D

Weapons:

Description: A langskib was a type of longship operated around 9 ABY by Mandalorian survivors who stayed on Mandalore after the Great Purge of Mandalore. It was led by a Mandalorian captain. They were joined by Mandalorians who retook Mandalore. Together they traveled to the Great Forge, but were attacked on the way by a trinitaur who destroyed the ship. The Mandalorians abandoned the ship and escaped with their jetpacks.
