Story Factors:
Duplicitous: Moldwarp civilisation is based on the concept of everyone should be sharp witted enough to know when they're being fooled. So cons and lies are a natural part of their behaviour with them constantly trying to get the better of rivals though deception. This reputation hasn't damaged their stature in the galaxy, but does make those who have encountered one suspicious at to the veracity of their word.

Move: 10/12

Description: Moldwarp are a sentient species. One Moldwarp, Edmo Ectacle, hailed from Lespectus, and was present in the casino in Canto Bight on the planet Cantonica in around 34 ABY.
