Force Powers (These are an estimate of the powers that the Grand Mothers possessed, although as a Dathomirian Witch their powers manifested in different ways to Jedi and Sith, for example Mother Talzin demonstrated Force Lightning which was Green, and her Absorb/Dissipate Energy (or possibly Greater Force Shield) formed a visible green bubble around her, and her Injure/Kill formed flames around the target. She was also able to manifest her abilities over a far longer range than Sith or Jedi seemed to be able, often with the trappings of magic such as potions or crystals, attacking enemies with Telekinesis or Injure/Kill using a lock of their hair.), so it can be assumed that the other Grand Mothers had similar powers.:

Absorb/Dissipate Energy, Accelerate Healing, Concentration, Control Disease, Control Pain, Detoxify Poison, Enhance Attribute, Force Of Will, Hibernation Trance, Rage, Reduce Injury, Remain Conscious, Remove Fatigue, Resist Stun, Chant of Resurrection, Metamorphosis, Combat Sense, Danger Sense, Life Detection, Life Sense, Receptive Telepathy, Sense Force, Force Jump, Injure/Kill, Telekinesis, Force Push, Greater Force Shield, Projective Telepathy, Jedi Armed Combat, Force Lightning, Inflict Pain, Affect Mind, Telekinetic Kill, Chant of Manupulation, Chant of Empowerment
