The Force D6 / Force Empathy

Force Empathy

Sense Difficulty: Easy. Modified by Proximity and Relationship,

Control Difficulty: Targets Control or Willpower (only if attempting to effect targets emotions).

Effect: The user can sense the emotions of other beings on a successful Sense Roll. However, they may also attempt to influence a targets emotions, overcoming their willpower to calm them or even anger them.

Description: Force empathy is a Force power which allowed those who possessed it to sense the emotions of others, and potentially even manipulate them. Force-sensitive members of the Genetian race of humans tended to have particularly strong empathic abilities, which could be difficult to control if untrained.
