Description: The Padawan Academic Cruiser was a model of cruiser that was used by the Jedi Order during the High Republic Era to train Jedi Padawans.

### ***Characteristics***

The Cruiser had a large bridge that was the focus of the ship's activity.

### ***Role***

The Academic Cruiser served as a mobile classroom and transport for Jedi. It allowed Padawans to learn while traveling the Galaxy.

### ***History***

One such cruiser was the Star Hopper, which responded to a Nihil attack on Trymant IV.
