Special Abilities:
Knowledge Skills:

Agriculture: Time to use: at least one standard week. The character has a good working knowledge of crops and animal herds, and can suggest appropriate crops for a type of soil, or

explain why crop yields have been affected.

Ecology: Time to use: at least one standard month. The character has a good working knowledge of the interdependent nature of ecospheres, and can determine how proposed changes will affect the sphere. This skill can be used in one minute to determine the probable role of a life-form within its biosphere: predator, prey, symbiote, parasite or some other quick description of its ecological niche.

Story Factors:

Herd Ships: Many Ithorians come from herd ships, which fly from planet to planet trading goods. Any character from one of these worlds is likely to meet someone that they have met before if adventuring in a civilized portion of the galaxy.

Description: Werrera was a Ithorian male Nihil who served as a technician aboard the flagship of Eye of the Nihil Marchion Ro, the Gaze Electric. In 230 BBY, Werrera was sent alongside fellow techs Cale and Leyel to carry out the sabotage of Starlight Beacon due to their loyalty. The trio were successful in their sabotage of the space station, though Werrera was killed by Chancey Yarrow during a brief firefight aboard the station.
