Description: Pychor Vuundir was king of the planet Vuundalla. He ruled over the planet with his wife, Queen Dafne Vuundir. The two leaders were generally apathetic towards their people, but interested in wider galactic politics, particularly in Starlight Beacon. He was the father of Prince Cyrus Vuundir, and was unaware of his alter ego as the pirate Taborr Val Dorn. Following a groundquake on Vuundalla, he was convinced by Cyrus to allow supplies intended to rebuild his family's secondary fathier stable to be used for rebuilding efforts in the village near the palace. Pychor Vuundir was present at the dedication of Starlight Beacon.
