Story Factors:

Faith in the Force: Mirialans are deeply religious and have a primitive understanding of the force, which sticks with them throughout their life, meaning that they will rely on the force more heavily that other cultures, believing in the will of the force.

Facial Tattoos: Mirialans will place a unique, often geometrically repeated tattoo on their face and hands to signify that they had completed a certain test or task, or achieved sufficient aptitude for a certain skill. The number of tattoos would thus often act as a good indicator of how mature and/or skilled a Mirialan was.
