Characters D6 / Sisters of the Echani

Sisters of the Echani

The Handmaiden Sisters were the six daughters of the Echani, Yusanis. They all served Atris, the former Jedi Archives Master and scholar of the Jedi Order. The Handmaidens served Atris as she studied to rebuild the Jedi, not realizing that their mistress had fallen to the dark side due to her own arrogance and pride.

The sixth and youngest sister was "The Last of the Handmaidens" since she was the least skilled. The elder five sisters all looked alike, 'honoring the face of their father' they called it, while the Last of the Handmaidens bore the face of her mother Arren Kae, a Jedi Knight who Yusanis had met during the Mandalorian Wars.

The Handmaidens were experts with the Echani martial form and a simple quarter-staff called a "Handmaidens Staff". Although the Last of the Handmaidens, Brianna, was Force Sensitive, the other five were not. Brianna trained constantly so that she would no longer bear the title of the Last of the Handmaidens.

The older five sisters died at the hand of Brianna (if the Exile is male) or Mical (if the Exile is female).
