Description: Rena was a Force-sensitive human who was a member of the Jedi Order during the High Republic Era. In 132 BBY, they and six other Padawans attended a lightsaber combat class in a training room in the Jedi Temple on the planet Coruscant. Rena and the other students followed a routine using bokken sabers as the class's instructor, Jedi Master Lakshay moved among them giving advice. A chime sounded just as the routine drew to a close and Lakshay announced the session was over.

Rena bowed to Lakshay alongside the other students and the Master bowed back before asking Rena and fellow Padawan Daro to show him their opening stance before they left. During the class, Rena wore a set of white and gold Jedi temple robes with a brown belt and brown boots.
