Special Abilities:

Skill Bonus: Quermians gain an extra 1D for every 1D placed in a PER attribute or skill.

High Force Sensitivity Percentage: The Quermian population has a high percentage of Force-sensitives. When randomly creating a character, roll 1D: Only on a 1-2, may the the character be Non-Force-sensitive; on a 3-6, the character IS Force-sensitive.

Multiple Arms: Quermians have four arms, but standard action penalties still apply - they can only concentrate on one task at a time.

Story Factors:

Strange Appearance: Many humanoid races find Quermians eerily disconcerting due to their height and unusual physical construction.

Olfactory Organs: The Quermian sense of smell originates in the fingers, and Quermians often wriggle their fingers in the air when processing smells.

Equipment:

Vast Riches, Expensive Clothing, Comlink

Description: Koa Delko was a Quermian male who served as the Minister of Defense for the Galactic Republic during the Mandalorian Wars. He was present at the trials of Demagol and Dorjander Kace as the prosecutor.

Biography

In 3963 BBY, Koa Delko represented the government and participated in the trial of Demagol, a member of the Mandalorian Neo-Crusaders, who committed crimes against the Republic. Bearing in mind that the trial would be considered a show trial for symbolic condemnation for all Mandalorians, the prisoner accused Delko for the publicity of his crimes and heated up the many onlookers. Delko refused to listen to those protestations from him.
