Story Factors:

Faith in the Force: Mirialans are deeply religious and have a primitive understanding of the

force, which sticks with them throughout their life, meaning that they will rely on the force more heavily that other cultures, believing in the will of the force.

Facial Tattoos: Mirialans will place a unique, often geometrically repeated tattoo on their face and hands to signify that they had completed a certain test or task, or achieved sufficient aptitude for a certain skill. The number of tattoos would thus often act as a good indicator of how mature and/or skilled a Mirialan was.

Description: Pak Relda was a Mirialan with purple skin who lived in Black Spire Outpost during the High Republic Era. She bullied a younger human girl named Sadie Bolter, who decided to steal Jedi Initiate Lys Solay's lightsaber in order to stand up to Relda. However, Relda stole Solay's lighstaber. Relda prepared to depart aboard her starship but was confronted by Solay, Padawan Celesta Kami and Bolter. Relda unleashed her spider droids against the Jedi. Bolter fought Relda with her wooden blade and defeated her. After Solay reclaimed her lightsaber, Relda retreated aboard her starship.
