Races D6 / Suerton

Name: Suerton
Designation: Sentient
Classification: Reptilian
Skin color: Green
Attribute Dice: 12D

Dex: 2D/4D
Know: 2D/4D
Mech: 2D/4D
Perc: 2D/4D
Str: 2D/4D
Tech: 2D/4D

Special Abilities:

Lucky: Suertons are an eerily lucky species, they have the ability to subconsciously affect probability. This allows them to re-roll any single dice, except the wild dice, on any skill or roll. They may use this ability as often as they want, but they do not have to use it, it only effects a single dice in each roll, and it doesn't work on technology (so cannot be used to increase damage from weapons).

Story Factors:

Move: 10/12

Description: The Suerton were a sentient reptilian species that lived in the galaxy. An eerily lucky species, the Suertons had the ability to subconsciously affect probability. The brothers Dodibin, Thodibin, and Wodibin were all Suertons from Chanceuxi.
