Force Sensitive: Y
Force Points: 6
Dark Side Points: 0
Character Points: 12

Story Factors:

Carnivorous: Although Zabrak can live on a Omnivorous diet, they are by nature Carnivores, and prefer an all meat diet.

Facial Tattoos: Zabrak Culture favours full facial tattoos, which can make them look fierce and violent, leading to other species avoiding them or being naturally intimidated by them.

Horns: Zabrak have varying numbers and patterns of horns dependent on their subspecies, and take great pride in them, seldom wearing helmets which would hide them, not that most fit over the horns anyway.

Description: Mai was a Zabrak Jedi Master who served the New Jedi Order during the Second Imperial Civil War. Surviving the Jedi Purge, Mai traveled to the Hidden Jedi Temple and lived around 130 ABY. The Jedi Master attended to Azlyn Rae as Cade Skywalker and Shado Vao met with the Jedi Council.

When Jariah Syn recognized Master Rasi Tuum, the Jedi who killed his father, he slowly backed away from the group. Worried, Master Mai followed him and asked if he was ill. Syn yelled at Mai to get away from him and punched Mai, who was rendered unconsciousness.
