Move: 7
Orneriness: 1D

Description: The Mina-Rau bier beast was a long-horned creature found on the planet Mina-Rau. They mostly consumed grain, and due to their calm and docile temperaments, they were often used to carry tools and grain by farmers on the world. The Mina-Rau bier beast had its entire body covered with long fur. Farmers would often bundle large supplies of grain onto the backs of the creatures for transportation.
